President Herman D. James and Mrs. James welcome students, alumni, and friends of the college community to the Homecoming '88 events.

Glassboro State College

Bill Fisher called the plays during the homecoming game against Ramapo. Bill is a senior who came to GSC from Wenonah, N.J.

Gary Pollack flashes a quick smile on his way to his two o'clock class.

Red, white and blue led the Homecoming '88 parade down Carpenter. Grand Marshall of the parade was Miss NJ who followed just behind our country and state flags.

Costumed in gold and white was this year's GSC marching band. The new uniforms debuted at Homecoming '88 and were worn with style.

A Royal wave. Pictured below are Jamie Burgos and Debbi Holland who were this year's Homecoming King and Queen.

Finishing the regular season with an overall record of 18-1-1 was this year's soccer team. Under the coaching of Dan Gilmore, this year's team was able to total 12 shutouts which includes their game against top-ranked Elizabethtown College.

This little pig went to the parade. Nick Celentano, a Zeta Beta Tau brother, displays his animal magnetism during the homecoming events.

These Sisters of Delta Zeta are showing that not only are diamonds a girl's best friend but that they also make for a great costume.

SAB is everywhere. Sponsoring events from weekly movies to celebrity comedian shows, SAB is constantly entertaining us. Thank you Student Activities Board!

Joining in on the float contest was the Student Government Association. The theme for this year's events was "Once Upon A Time..." and the theme for the SGA float was "The old woman who lived in a Shoe."

Alpha Epsilon Phi and Alpha Phi Delta joined efforts and came up with a float with the theme "Snow White and the Seven Dwarfs."

Showing off their letters and colors, these two Sigma Pi brothers lead the way for the Sigma Pi and Tri Sigma float.

Who Doesn't think Bugs are cute? Well, certainly not the owner of this Bug. Parked outside Mimosa Hall this colorful car drew lots of attention.

Just outside the Student Center, this student takes advantage of a warm October afternoon in order to get some reading out of the way.

As a friend feeds her popcorn, Betty Jean Jan-kowski enjoys the Coffee House held at the Neumwn Center.

Lost in a sea of balloons this decorative student enjoys the float ride during the homecoming events.

Unfortunately, this wall of brown and gold was not enough to prevent Ramapo from gaining victory over the Profs.

Their destination was not exactly the Emerald City but for one afternoon during homecoming these students were allowed to think that Glassboro was that glorified city.

Jim, who is also a musician, can often be seen playing the guitar with his friends at various Coffee Houses and "Gold Bugs."

Nothing was too sweet for this float. Sigma Pi and Tri Sigma combined forces and created their own interpretation of "Hansel and Gretel."

Lori Urbansky from Delta Zeta

Gina Bove is a freshman from Wildwood

ZBT pledges Jeff and Greg

Christine La Paglia is founder of C.I.A.O. and treasurer of the Biology club.

One of GSC's marching band members who is serious about his music.

Just outside the Student Center, Turk and a friend check out the "scenery"

Hard Work And Determination

Pay Off On Friday The 13th

Before meeting the seniors of '89 we must first say farewell to the class of '88. For these 1,621 1988 graduates Friday the 13th took on new meaning. An unlucky day it was not yet it certainly was not luck that brought them all together. It was years of hard work and determination. For some it involved raising a family, spending lots of time commuting back and forth to GSC, spending their coffee breaks at work reading up for the exam they would encounter that night, and for some it was striving to be the first in the family to have a college degree. No matter what the ob-

stacles were, these graduates were able to conquer them.

To celebrate their victory 1,019 of the 1,621 graduates gathered on Bunce lawn to participate in the traditional graduation ceremony. Lots of important administration members and government officials were in attendance but the fact is that the most important guests were the graduates. If it were not for the graduates' appreciation and desire for higher education then Bunce lawn would have been empty on May 13, 1988. To the class of 1988 - Congratulations!

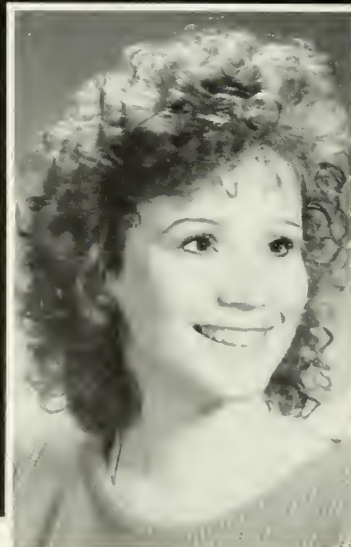

Class President Doreen Dooley spoke to her classmates on all that they, as a class, had been through together. She expressed high hopes for both the future of the college and the future of her classmates.

SENIORS:

With Cap On Head,
And Diploma In Hand -
You'll Walk Off Bunce Lawn
To Conquer This Land.

Congratulations!

This is obviously not a complete listing of all graduating seniors. These are simply the ones that opted to have their picture featured in the 1989 edition of **The Oak**.

Unfortunately, the following three photos were received too late for alphabetical listing.

Offices From Hell

In search of excellence. That was the philosophy developed this year by the Bureau of Student Publications (BOSP). With five publications and only about 60 hardcore staffers, these dedicated students turned concepts into copy.

The BOSP consists of Avant (literary magazine), D'Kine (graphics/literary magazine), Oak (yearbook), Venue (news/satire magazine), and The Whit (weekly newspaper). Together these organizations have a tremendous responsibility of serving news and entertainment needs of the entire college community.

Major highlights of this year included the emergence of a new graphics oriented magazine D'Kine. Facing much adversity and financial hardships these dedicated entrepreneurs managed to put out a product using their own money and hardwork. Next year they will face the SGA for official chartering and funding and will hope to be fully recognized and accepted into the hearts of the GSC student body.

The major project undertaken by the BOSP was the creation of a \$150,000 computer writing lab complete with the latest computers and laser printers. The project known as the Students' Enhanced Publications Equipment Up-Grade Project (S.T.E.P.-U.P.) was designed by Bureau President James "JC" Siano.

"This is a tremendous project," stated Siano. "This equipment will improve the overall quality of the publications and put GSC publications on the map! Also, the money which came in the form of a grant from the SGA will be well worth the cost because we will save that amount in printing costs over the next five years."

1988-89 was a big year for the "family of publications" and for the people who according to the BOSP constitution "create great publications." The seniors who graduate will remember the long hours spent doing layout, writing last minute copy, breathing fixer and stop-bath all night in the darkroom, and racing to meet printers deadlines. They will also remember "Blue Smurfs," climbing on the Lincoln Memorial, the Venue Prom and Halloween parties, secret Elvis tunnels, billions of unorganized yearbook photos, and — most of all — the Offices From Hell.

HOURS OF
PRACTICE,
BLOOD,
SWEAT
AND TEARS -
IT IS OUR
ATHLETES
WHO WILL
FONDLY
REMEMBER
THESE YEARS.

The Profs' Michael Briglia recorded his 500th career victory as head baseball coach on May 7, 1988. In 11 innings, Glassboro State beat Jersey City State 5-1.

Briglia, also was Men's Athletic Director at the college. Both positions he retired from at the conclusion of his term, June 1. He was an important figure in athletics at the college and was a popular baseball coach.

His 1988 team recorded a 24-15-1 overall record and was 10-6 in the New Jersey Athletic Conference.

The post-season highlights overshadowed the Profs' season. Center fielder Keith Lee, a junior and shortstop Mike McLaughlin, a senior were named to the All-Conference first team.

Lee battled .346 with 55 hits, 25 RBI's and 44 stolen bases. He was also named to the Division III All-American team.

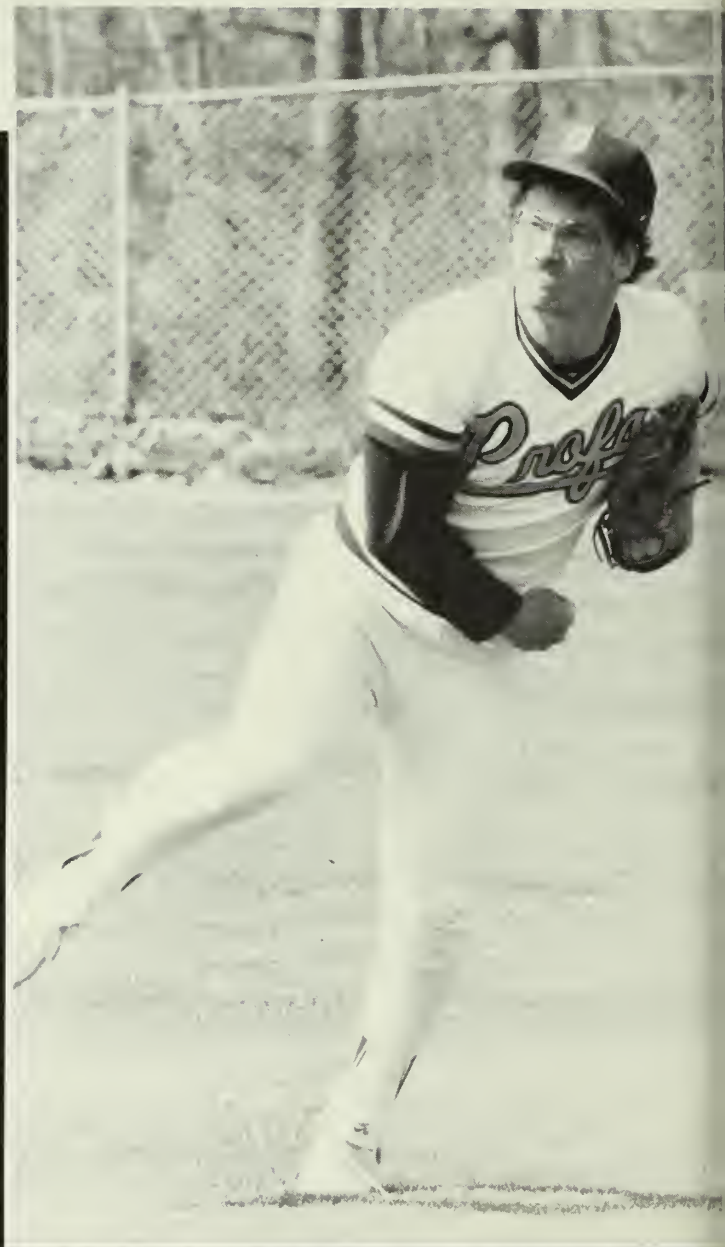

McLaughlin hit .312 with 49 hits and 30 RBI's.

All-Conference second team players included Alan Cicatiello (.314 batting average) catcher, and pitcher Jim Logar. Logar compiled a 7-3 record with a 4.42 ERA.

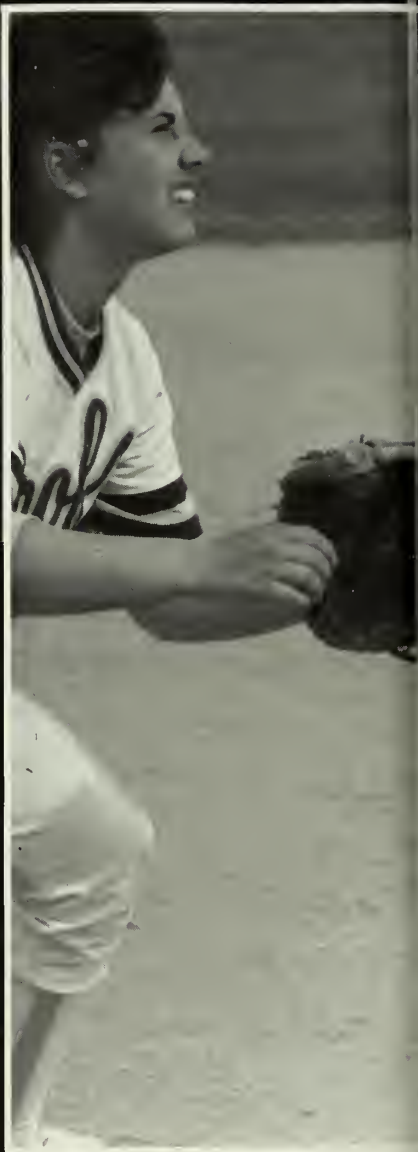

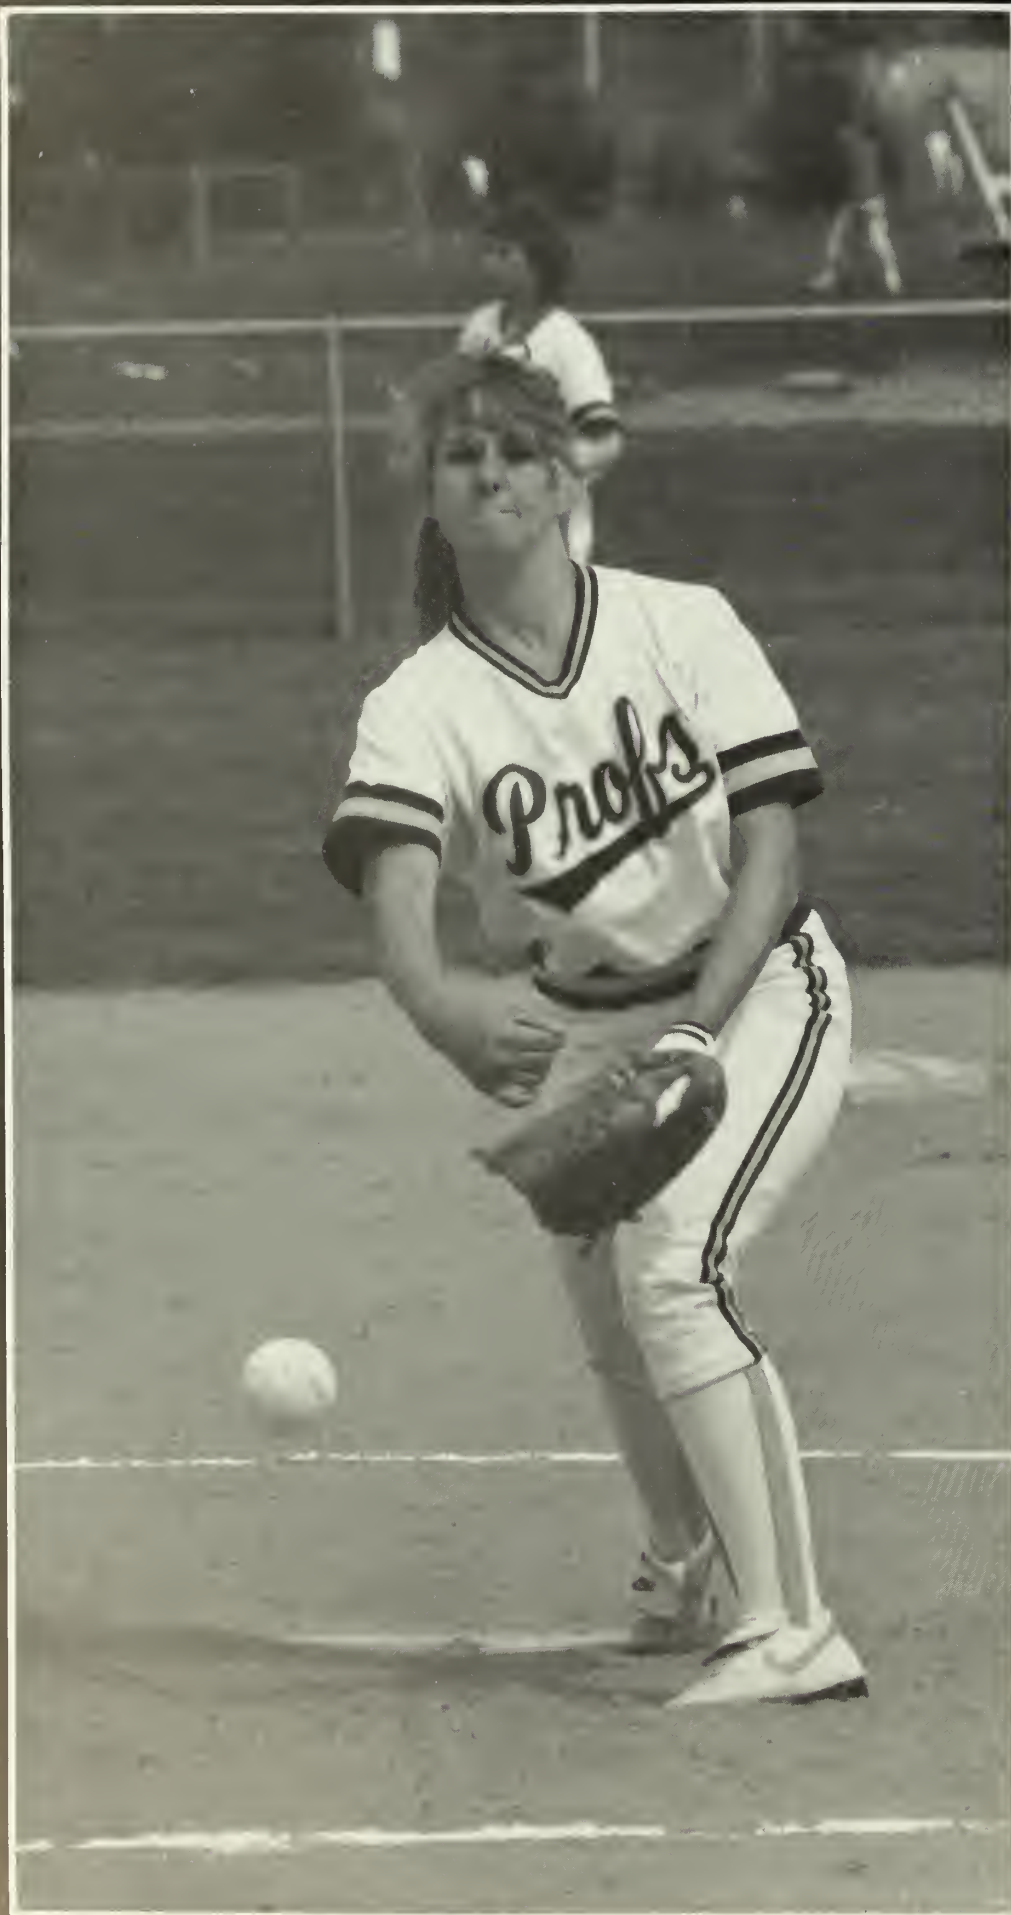

Walt Dzierzgowski, Jim Redwanowski and Dave Dickman received honorable mention.

Lee and McLaughlin were drafted last June in the amateur draft. Lee was chosen in the seventh round by the Baltimore Orioles and McLaughlin was selected in the 21st round by the Seattle Mariners.

New head coach Charles Roney will pilot the 1989 baseball team. He is a former baseball coach at several local high schools, and helped coach other sports. His baseball knowledge combined with the always powerful baseball team at Glassboro State should provide an exciting and eventful spring.

Glassboro State's softball team finished 26-15 overall and 4-4 in the New Jersey Athletic Conference for the 1988 season.

The Profs made their third appearance in the National Collegiate Athletic Association Division III Mid-Atlantic Regional Tournament.

On the first day of the tournament, Glassboro defeated Bridgewater College (MA) 7-2, in opening competition. Later they defeated Trenton State 2-1 in eight innings.

The second day, however, wasn't quite so good for the

Lady Profs. They lost twice to Trenton State 2-6 and 0-2.

Senior captain Jana Ferraro, an outfielder, and pitcher Trish Straw the teams other senior will leave head coach Dawn Shilling with big positions to fill.

Chris Lehman was the Profs leading batter with a .365 average, and led the team in RBI's with 28.

Second in batting was Diane Ebbeson with a .344 mark. She had 44 hits and had 23 runs scored.

Ebbeson, Renee Leo and Barb Sbarra were selected to

the NJAC All-Conference first team.

Leo batted .328, recorded 16 RBI's and scored 24 runs. Sbarra batted .342. She had a 16-5 record on the mound, and an ERA of 1.13; Sbarra had 57 strikeouts.

Straw compiled a 7-9 record with a 1.19 ERA. Freshman Denise D'Onofrio will mostly be given the responsibility of filling Straw's shoes.

Shilling pushes her team hard and gets results. Despite losing two talented athletes, the 1989 softball team will be more productive than the 1988 team.

The Profs' golf team last season compiled a 3-6 record. But even more important than their season or their record was the retirement of head coach Richard "Coach" Wackar.

After 32 years as a health and physical education professor and coach, Wackar decided to retire. He was head basketball coach from 1956-62, leading the men to three first place championships; he led the cross country team from 1957-62 to two conference titles; he, as

head football coach from 1963-80, recorded five New Jersey Athletic Conference titles; as head golf coach from 1964-88, Wackar has won more than 200 wins and seven conference championships. He is the only NJAC head coach to have won conference championships in four different sports,

The 1988 golf season was filled with high points and low spots, providing a tough season.

Led by outstanding freshman Tom

Schroetter and senior Mike Sorelle, the Profs' competed in several big contests last year, but perhaps the most important was the last one of the season.

At the Metropolitan Championships, the team placed 12th overall with 524 points. St. John's University was first with 452, followed by Ramapo State College with 466.

Schroetter placed 29th with 170. Sorelle finished 42nd with 178, followed by Tim Mumford and Dan Pasternak

who each shot a 179 and placed 43rd.

In Wackar's final game as head coach, Glassboro State lost a heartbreaker to Delaware, 427 to 461.

In the spring of 1989, there will be no golf program at the college due to a cutting of college funds. Sadly, our golfers will be faced with playing golf only for recreation, much to the disappointment of several people at Glassboro State, and to Coach Wackar.

Right On Track

Fourth Place In N.J.A.C.C.

The 1988 men's tennis team rebounded strong with an 8-8 record after a 5-11 record in 1987.

The team was led by senior captain Ron Strauss at first singles. This season head coach K.C. Keeler will be forced to find a replacement for the graduated senior. Kevin Hanrahan, Keeler's second singles player will also have graduated leaving the top two slots open.

Several returning players, Rich Badt, Ed McClain, Pete Prete, Joel Fishbein and Phil Gaitelband will all compete for those top positions.

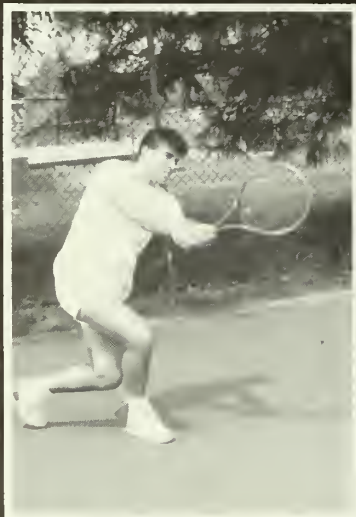

Perhaps the teams' biggest match of the season came when they placed fourth at

the New Jersey Athletic Conference Championships.

First place was won by Ramapo College with 19 points. Glassboro State had six.

Hanrahan and Gaitelband finished second overall in third doubles. After defeating Kean College 6-1, 6-2, they won the semi-finals over Rutgers-Newark 6-2, 6-3. The pair lost 6-4, 6-3 in the finals to Ramapo.

As Keeler enters the 1989 season he faces replacing two top players. But, with the returning players and recruits the Profs' look to be another top contender throughout the 1989 season.

Women's Tennis

The Profs' women's tennis team, despite a season of uphill battles, managed a 12-2 record overall and a 4-2 New Jersey Athletic Conference mark.

Head coach Lisa Wilkins in her third year, while awaiting the competition of the repaving of the tennis court, was forced to work her practices and matches around the schedule of Glassboro High School's tennis team. The courts will be completed by next season.

The team's biggest challenge of the year, was the New Jersey Association of Intercollegiate Athletics for Women (NJIAW) Championships. The event was held Oct. 7-9 at Mercer County Park in Mercer.

Glassboro State placed fourth as a team, .5 of a point behind third place Rutgers-Newark University. Each individual who went, for the Profs placed, except for Eva Cechnowski, who was ill. Wilkins was more than thrilled with the teams' excellent performances.

Top finishers for the Profs include Chris Mellon, who placed second at second singles and Dorothy Ziegler who finished third at sixth singles. Doubles partners Kelli Weeks and Ziegler placed third.

Wilkins next season will have to replace three of her top players, Cechnowski, Nancy Logan and Denise Obre, as they will be lost this May at graduation.

Glassboro State lost their first two matches of the season, which ended up being their only defeats. The Profs fell victim to Rutgers-Newark 1-8 and Trenton State College 0-9; they then won 12 straight.

Their final match of the season was a 9-0 win over LaSalle University, and Wilkins is hoping that winning spirit can carry over in to next season.

Bill, Eric, Tom And Rick Leave The "Bunting" Team

John Bunting entered his first year as the Profs head football coach with optimism. However, he faced two problems early in the season. He was working with a relatively young squad and he lost some key defensive players to injuries.

The football team recorded a 5-5-won-loss record. One of those wins was when the Profs beat Salisbury State University, 33-20, for the first time since 1982. Another big win came over defending New Jersey Athletic Conference (NJAC) Champions Kean College, 27-7.

Glassboro State will lose four key players to graduation, quarterback Bill Fisher, defensive back Eric Ladvas strong safety Tom Malek and free safety Rick Malek.

Despite losing those four, Glassboro State looks strong for next season; and with one year as head coach at Glassboro State under his belt, Bunting will return with a team in top form.

NJAC Title Again!

Rick Bostwick returned to the Profs cross country team this year after an off-season motorcycle accident. He earned All-American honors for the second consecutive year by finishing 15th at the National Collegiate Athletic Association (NCAA) Division III cross country championships. He also successfully defended his individual title at the NCAA Mideast Regionals.

Bill Fritz coached the men's team to a 7-0 record and its 15th straight New Jersey Athletic Association (NJAC) championship. His

other top runners included Andy O'Donnell, Andre Burton, Dan Fourney, Scott Hoopes and Sam Schriever.

When O'Donnell, Fourney and Hoopes graduate in May, Fritz will lose three runners who add depth to the team. Next season freshmen Rich Wright, Sean Bolden and Colon will be looked upon to pick up where the seniors left off. With the return of Bostwick, and the others, Fritz should see a Glassboro State team that once again earns the NJAC title.

Setting The Pace At The NCAA Regionals

The women's cross country team recorded a 4-1 overall record this season. Head Coach Bill Fritz saw his runners place third at the New Jersey Athletic Conference (NJAC) Championships.

Linda Vaughan paced the team. At the National Collegiate Athletic Association (NCAA) Mid-east Regionals, she placed seventh, which was the highest finish ever among the women runners.

Other runners who contributed to the success of the team were Ann Kavanaugh, Lori Kavka, Sheryl Mc Ferren, and Patti Neiderhofer.

Fritz will lose Kavanaugh, a quality runner to graduation, but with the remainder of the squad returning, the Profs should again be one of the top NJAC teams.

Team Bids Farewell To Team Leader - Renee Leo

Mary Marino entered her second year of coaching the Glassboro State College field hockey team with a relatively young squad once again.

The Profs improved their overall 1988 record to 5-11-2 (2-5-1 New Jersey Athletic Conference), over last year's overall record of 3-12-4 (3-3-2 NJAC).

Renee Leo played her final game in a field hockey uniform, completing a four year stint. This year she scored 12 points (5 goals, 7 assists).

Freshman Laura Kelly scored 10 points (8,2). Also putting in strong offensive performances were: Gina Bauer (4,1) with five points, and Jackie Shinn (0,4) and Cindie Flenard (3,1) with four points each.

Defensively, Glassboro State was led by Diane Cioffi, Theresa Coleman, Julie Kempt and Nancy Piotrowski.

Dianna Amme and Kelli Erianne were the Profs' top two goaltenders. Amme had a 2.00 goals against average (gaa), while Erianne recorded a 1.30 gaa. Laura Wicki also saw action in net, and earned a 2.70 gaa.

The highlight of Glassboro State's season was a game against defending NJAC champions Trenton State College. The Profs lost a 1-0 overtime game, in what was probably their most challenging game this year.

While the loss of Leo will be tough to replace, this young team, only will have better things to look forward to in 1989. Marino's squad will continue to improve and should provide exciting action next year.

An Impressive 18-2-1 Season

The Glassboro State College soccer team has had a tough three years in the playoffs. For the third straight year, the Profs were beaten in round one of the National Collegiate Athletic Association (NCAA) Championships. This year its loss was to Messiah College, 2-1. It was a disappointing end to a tough, impressive 18-2-1 season.

Dan Gilmore in his 13th year of coaching the Profs, saw his team lose early in its season in the Sunkist Kickoff Classic to Ithica College, 1-0. But the Profs rebounded winning 17 straight and tying defending Division III Champion Elizabethtown College 0-0 in OT. Glassboro State also captured its fourth consecutive New Jersey Athletic Conference NJAC title with a 9-0 record.

The Profs will lose five players to graduation, goalie John Leacott, forward Jamie McGroarty and midfielders, Chris Logar, Tony Gibson and Ken Simon.

McGroarty led the team with 34 points (13 goals, eight assists). He was followed by Simon with 15 points (7,1) and Logar with 14 points (3,8).

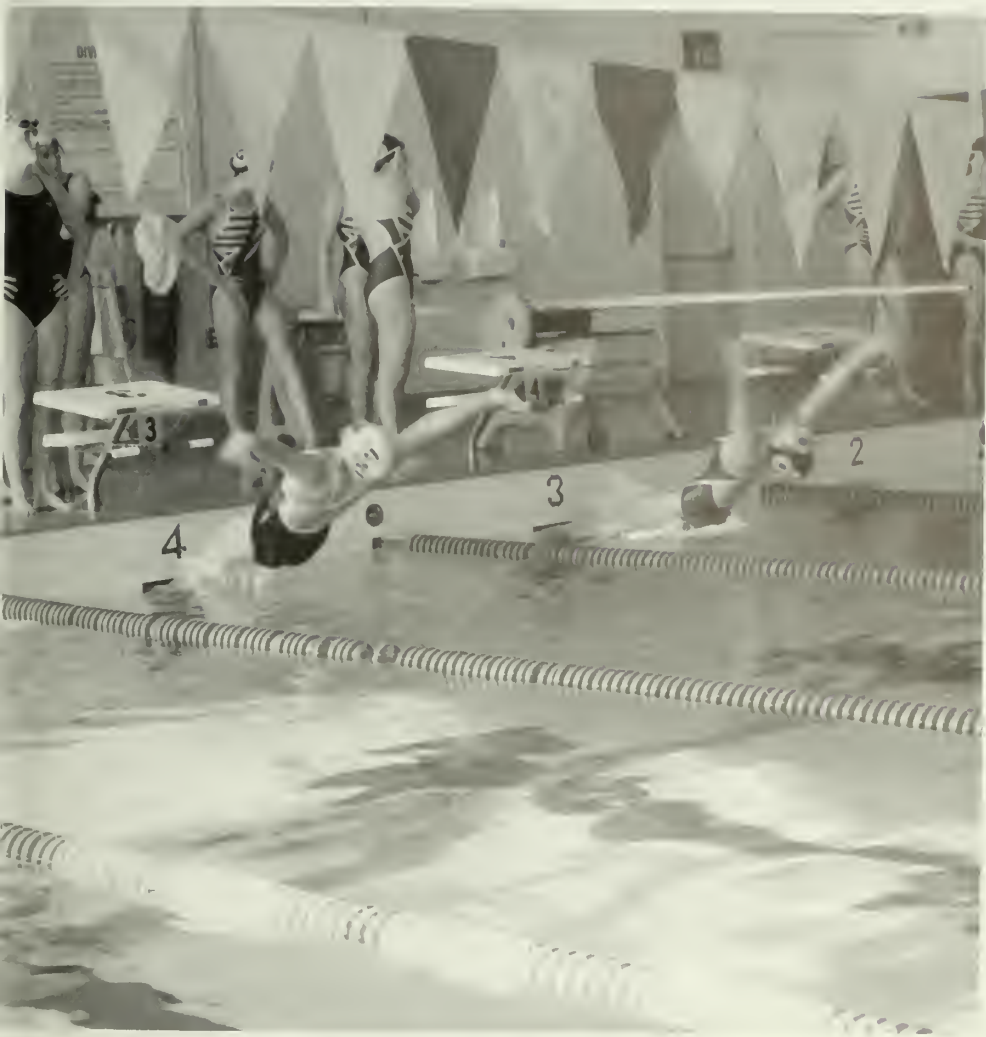

Leacott was the Profs top goaltender, recording an 11-2-1 record with a 0.41 goals against average (gaa). John McManus had a 4-0 record with a 0.37 gaa, as the other top goaltender.

The Profs next season will excel, as usual, under Gilmore. They will attempt to continue as one of the top NCAA Division III teams, and the top NJAC team.

Seinfeld Wraps Up A Great Year

The grand finale for the '88 school year came on April 17th when esby Gym was turned into a concert hall for comedians. The show featured Jerry Seinfeld, Carol Liefer, and Marc Price, better known as "Skippy" from family ties. The show was opened by one of Glassboro's own up and coming comedians Rob Gugliemetti. After Rob warmed up the crowd "Skippy" came on and lit the room up with his brand of off beat comedy. Following "Skippy" came Carol Liefer keeping the crowd laughing with her great anecdotes on life as a female. The funniest moment of the afternoon came when Jerry Seinfeld hit the stage. Seinfeld's brand of humor is unique to say the least. From his stories about a moose to his jokes about airplanes Seinfeld kept the audience in stitches, wrapping up a great afternoon of comedy. Much thanks goes to S.A.B. for running yet another great concert.

Kean Spoke On Bond Proposal

One high point of the fall semester came with a visit by New Jersey Governor Tom Kean. Kean came to speak on the Bond proposal. The student center pit was packed when Kean finally spoke. Also speaking in support of the issue was Dr. James and Student Government President Joe Cardona. The bond proposal passed in the Nov. 4 election and soon Glassboro will have a brand new library.

IMPROVING OUR IMAGE

It wasn't hard to see progress here at Glassboro this year. No matter where you went on campus you were sure to see crews working hard on improving the look of our campus. The most notable change came behind the Student Center where a patio area was created. The patio was funded by the campus beautification fund of the college. Other improvements included flower beds across the campus, tree planting and a new set of basketball courts by the North Halls.

And Add Drop

Drop and Add- Dante's unwritten chapter. When Dante conceived hell he considered it to be in levels each lower level subsequently worse than the previous level But in all his horror Dante could not imagine a place as terrible as Glassboro's Drop and Add. However, we the students of Glassboro are forced to live in this nightmare. Every semester innocent students are forced to stand in long lines to pick up classes and eventually end up with a good schedule (or at least one with no eight o'clock classes). We struggle the best we can to cope with the inevitable horror and hope and pray that next semester, we wont have to face it again - Drop and Add.

"The Chalk Circle"

Glassboro's theatre season jumped to a start with the production of "The Chalk Circle". "The Chalk Circle" is a traditional Chinese drama which is very different from the western concept of theatre. The original play was eight hours long. Director and department chairperson David Lloyd rewrote the drama and helped make it more acceptable in western theatre. The play, because it breaks many theatre traditions, is a difficult one to perform. Glassboro's theatre department rose to the challenge and gave an outstanding performance.

NJPIRG VOTE

One very visible group on campus this year was N.J. PIRG "PIRG", which is an environmental group, came onto campus in hopes of forming a new chapter here. Facing problems with the administration didn't phase the members and plans are still continuing for an established chapter.

Commuters - On The Go!

It's 8:03 in the morning. I'm a Glassboro commuter. I'm late for class. I pull into Vawa to grab my required cup of coffee. It's 8:09 I'm really late. Well, I rationalize, the history of economics won't change just 'cause I'm not there. The car in front of me makes a sharp right. I slam on the brakes. I'm wearing coffee. It's 8:15 - my leg has been burned badly

and I am very late for class. I cruise down 322 and survey the parking situation. Not a spot in sight. I make the turn towards the football field. I find a spot by the team house. It's 8:20, I'm walking towards Bunce. The fresh air is helping to dry off my pants. It's 8:26 I'm in Bunce. My class was cancelled. That's the life of a commuter.
